

# Reading Planet Online

You may be asked to use this as part of your English lessons or it may be for your weekly reading set by your teacher.

Your login and password are the same as RockStar Maths. If you are unsure what this is, contact your teacher on Class Dojo.

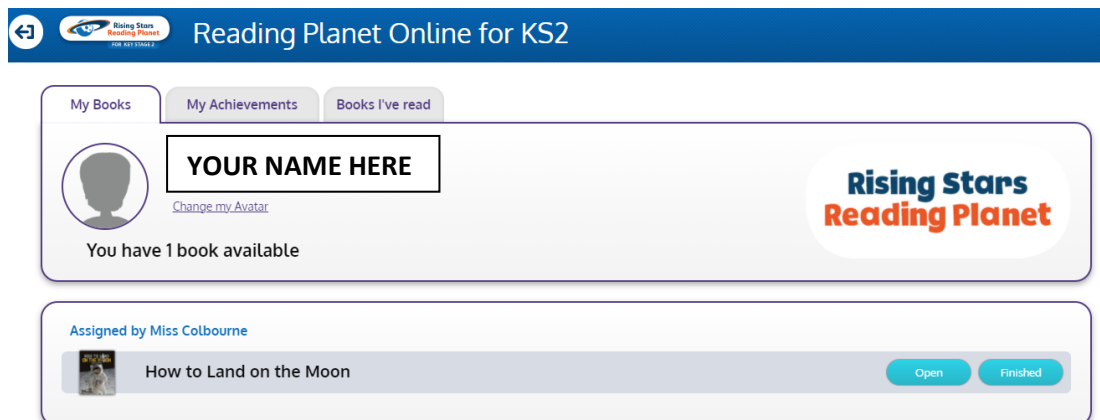

1. Use the following website to log in: <https://my.risingstars-uk.com/>

**The centre ID is 254325**

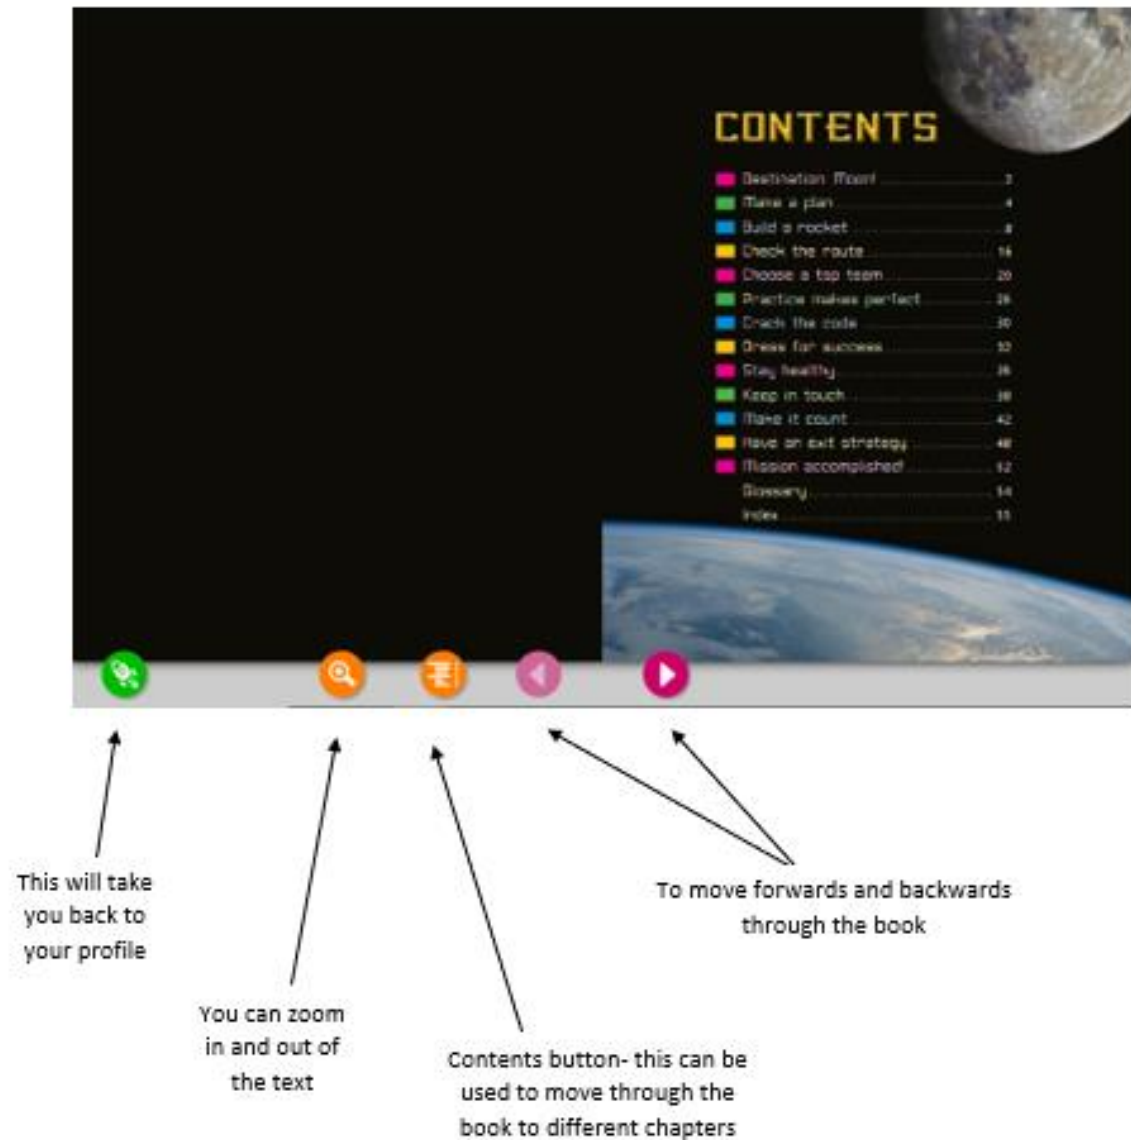

2. When you log in you will see the screen for the Reading Programme your teacher has set for you. An example is below. Click on the box to take you to your own profile.

3. The next screen shows you the book/s your teacher will have set for you. You can begin reading the book by clicking on 'open'.

4. The symbols at the bottom of the page can be used to help you when reading.

5. Some pages contain a **quick quiz** which will help you and your teacher to know how much you have understood from what you have read. Click on the green icon to complete the quiz after you have finished all earlier pages.

6. **At the end of the book, take the full quiz.** This will include questions about everything you have read. Your quiz will be marked and your teacher will be able to see your results.
